We are located at walking distance from Amsterdam Centraal. From every station in Amsterdam you can take the metro to us. Take the Waterlooplein stop and exit at Stopera. From there it is an 11-minute walk. Bus 316, 391, 306 and 314 all stop at Bus stop Prins Hendrikkade. From there it is a 5-minute walk to SUE.

We are easily reachable by car. Parking unfortunately is expensive in Amsterdam, but there are options:

THIS IS HOW YOU CAN FIND US:

These are some photos of our building to help you find us as quickly as possible. SUE is located in a building housing more offices so it can be a bit confusing.

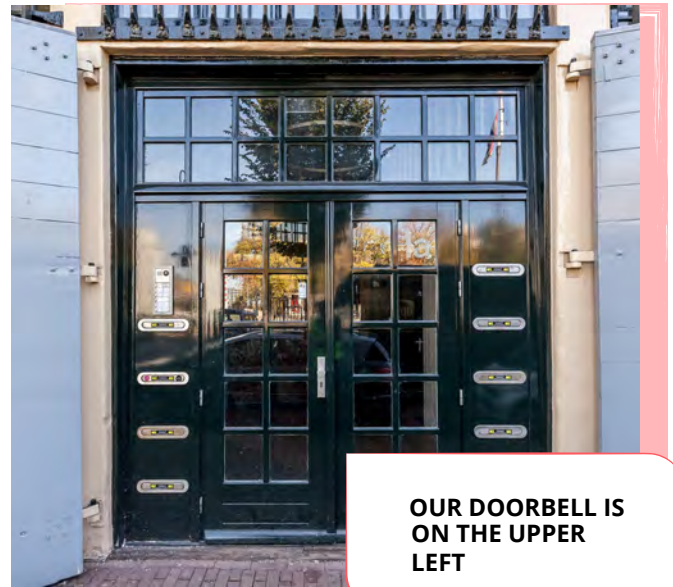

WHEN YOU ENTER:

You arrive in a very large common hall, you then have two options:

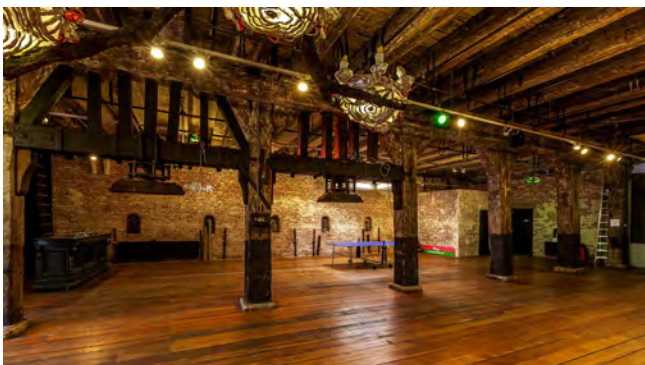

- You take the lift. It's hidden in the back left; you should go to the third floor. Arriving at the top, we're on the left. Just a warning: the lift is very slow, but it will get there!
- Or you walk all the way down the hall, then you see a small staircase of about 5 steps, and you go up it. Then you go through the door on the left, and you'll see a stairwell. Then you take the stairs to the third floor. When you reach the top, we are on the right (you walk past the lift).

THIS IS THE FRONT DOOR OF THE BUILDING

OUR DOORBELL IS ON THE UPPER LEFT

This is the common hallway

At the back left, you will find the lift; straight ahead, you will find the small staircase to the stairwell. You need to go to the third floor.

Are you coming from Oosterdok

Then the side of our building looks like this. You have to be at the front (the side where the green car is).

Coming from metro station Nieuwmarkt

Take the Nieuwmarkt Korte Koningstraat exit. Turn right outside and walk onto the canal. Turn left there onto the Oudeschans. Keep walking until you reach Prins Hendrikkade. Our building appears as you see in this photo on the right. Cross the bridge with the two white posts, and you're there.

This is the entrance of our office

The semicircular wooden door is the entrance to our office. Mind your head. The entry is low. The toilets are on the left in front of the entrance. A coat rack can be found in the hallway before the door.

Welcome at SUE!

From now on, step into the SUE world, where we go all out to spoil you. So order your coffee. Please look at our tea bar and choose one of the fresh teas. And experience our Knalldrang culture.
